

## Automatic Paper Roll Slitter Rewinder

Automatic paper roll slitter rewinder is mainly for making slitting roll of all kinds of small paper rolls.

It is with automatic core loading machine, easy to change of the cutting knives, automatic chain loading of the jumbo roll, automatic slitting machine to make the production very faster, user friendly.

The machine adopts Simens PLC and Touch screen for ensure the quality standard. all electronics parts are high standard selection.

### **Main specifications:**

Machine name: Automatic paper roll slitter rewinder

Model: PPD-Y800C

Mother roll width: 800mm

Mother roll max diameter: 1200mm

Mother roll inner core diameter: 76mm/3inch
